REPLY TO PAPER NO. 2

Sir:

In response to the office action mailed October 24, 2002, please amend the above-referenced patent application as follows:

IN THE SPECIFICATION

Please amend the paragraph beginning on page 5, line 11, as follows:

a' The backplate 110 may provide mechanical support to the display tile 100. The backplate 110 may be assembled to the display tile 100 using a thin, flexible epoxy adhesive in one embodiment.

IN THE CLAIMS

Please amend claim 3 as follows:

a' 3 (Amended). The display of claim 2, said display tile including front and back surfaces and including a driver chip on the back surface of said display tile and one or more emissive elements on the front surface thereof.

Please amend claim 6 as follows:

Date of Deposit: 11-19-02
I hereby certify under 37 CFR 1.8(a) that this correspondence is being deposited with the United States Postal Service as first class mail with sufficient postage on the date indicated above and is addressed to the Commissioner for Patents, Washington DC 20231.
